We recognize that this assumption may be incorrect. Still, we wanted to provide a full overview of the issues that are likely of greatest concern to him currently so you can be prepared for any topic that may arise.
> >
> > It's also worth mentioning that anti-Mahama protests sprung up in Accra this week over high costs of living and the administration's handling of Ghana's ongoing economic crisis. Yesterday's demonstration, in which thousands of workers took to the streets, has been dubbed "Black Thursday." These protests could signal growing unrest in the country, but are not currently considered a significant threat to national security.
